

Products Certification Body No. 3020
Institute for Testing and Certification, Inc., Zlín, Czech Republic
www.itczlin.cz

CERTIFICATE

No. 08 0677 T

Confirms that the product

**PE conduit systems for electrical installations
type KORUFLEX, DN 40 – DN 175,
type KORUHARD, DN 50 – DN 200
for protection of underground cables**

being manufactured by the company

**BÖHM – EXTRUPLAST s. r. o.
Revoluční 264, 357 08 Krajková, Czech Republic**

meets requirements of the following technical specifications:

ČSN EN 50086-2-4 Conduit systems for electrical installations – Part 2-4: Particular requirements for conduit systems buried underground

The Products Certification Body No. 3020 has applied with successful results the certification scheme 1b in accordance with provisions of the ISO/IEC GUIDE 67 and relevant parts of the above mentioned specifications.

The product description, documents and evaluations of the examination are presented in the Final Report No. 373500313/2008 that is enclosed to this Certificate.

This Certificate is issued under following conditions:

- 1. It applies only to the above referenced models of the product.*
- 2. It does not imply that the Products Certification Body No. 3020 has performed any surveillance or control of its manufacture.*
- 3. The Certificate holder is obligated to assure that all products of the respective models conform to the type assessed by this Certificate.*
- 4. The Certificate remains valid until the manufacturing conditions, the applied standards or relevant legislation are changed but at latest until the date of validity.*
- 5. The Certificate holder is obligated to inform the Products Certification Body No. 3020 on the raw materials and/on technology changes that could affect the certified product properties.*

Issue date: 30. 09. 2008
Valid until: 30. 09. 2011
