

SAFETY DATA SHEET Finished Product

SECTION 1 – Chemical Product & Company Information

Product Name – Professional Hybrid Formula

Company Information -

ShowOffs Body Art LLC

2520 Sand Pike Blvd

Pigeon Forge TN 37863

Contact Information – Sales (248) 933-4923

Recommended Use – Face and Body Paint for Special Effects

In case of medical emergency, please contact your local health care facility

Date – August 2024

SECTION 2 – Hazard Identification

The hazards described in this OSHA Globally Harmonized System Safety Data Sheet (SDS) are not intended for consumers, and does not address consumer use of the product. For information regarding consumer applications of this product, refer to the product label.

Hazard Summary – This is a cosmetic product that is safe for consumers under intended use. There are no ingredients present which, within the current knowledge of the supplier and in the concentration applicable, are classified as hazardous to health or the environment under intended uses.

HAZARD CLASS – Flammable

Signal Word – Danger

Hazard Statement – Flammable. May cause eye irritation.

Symbol -

Precaution Statement – Keep away from sparks, open flame. Do not spray on open flame. Avoid breathing mist. Use in a well ventilated area.

SAFETY DATA SHEET Finished Product

SECTION 3 – Composition/Information on Ingredients

Non-hazardous ingredients:

Ethylcellulose (9004-57-3) Castor Seed Oil (8001-79-4) Acrylates Copolymer (25035-69-2) Zinc Stearate (557-05-1)

May Contain FD&C Pigments: CI42090, CI77891, CI19140, CI45410, CI77499, CI15850, CI172000, CI77007, CI45380, CI77266,,CI77019, Mica, Titanium Dioxide, Iron Oxide

Hazardous Ingredients

Alcohol SDA 40-B	64-17-5 CAS	50% - 75% Concentration
------------------	-------------	-------------------------

SECTION 4 – First-Aid Measures

Eye – Thorough rinsing for 15 minutes with water. If irritation persists, contact a physician.

Inhalation – If respiratory difficulty is experienced, remove individual to fresh air.

Skin – If irritation occurs, discontinue use of product

Ingestion – If accidental ingestion occurs, please contact the Poison Help Center 1-800-222-1222

SECTION 5 – Fire Fighting Measures

Flash Point – 153°F) -TOC

Extinguishing Media – Use an extinguishing agent suitable for the surrounding fire. Chemical foam, etc...

Explosion Hazard – No applicable information has been found

Fire Fighting Instructions – Contact emergency personnel. Use self-contained breathing apparatus and full protective gear.

SECTION 6 – Accidental Release Measures

Procedure for Spill Clean-up – Absorb spills and clean with detergent.

SAFETY DATA SHEET Finished Product

SECTION 7 – Handling and Storage

There is no applicable information for safe handling of this product.
Store in an airtight container in a climate-controlled area. Keep away from heat and flame.

SECTION 8 – Exposure Controls

This is a cosmetic product that is safe for consumers under intended use and normal conditions.

SECTION 9 – Physical and Chemical Properties

Appearance – Liquid of various colors	Upper/lower flammability – N/A
Odor – N/A	Vapor pressure – N/A
Odor threshold – N/A	Vapor density – N/A
PH – N/A	Relative density – N/A
Melting point/freezing point – N/A	Solubility – Mild Solvents
Initial boiling point and boiling range - >100°F	Partition coefficient – N/A
Flash point – 153°F) -TOC	Auto-ignition temperature – N/A
Evaporation rate – N/A	Decomposition temperature – N/A
Flammability – N/A	Viscosity – N/A

SECTION 10 – Stability and Reactivity

Stability – This product is stable under normal conditions.

Reactivity – This product is not reactive under normal conditions.

Other – There is no other recommendations for this product under normal conditions.

SECTION 11 – Toxicological Information

Eye – Not recommended for use on the mucus membranes of the eye.

SAFETY DATA SHEET Finished Product

Inhalation – Not expected to be irritating, however an appropriate nose and mouth cover are recommended when applying this product with an airbrush.

Skin – When used as intended, not expected to be irritating to the skin or cause allergic reactions.

Ingestion – Do not ingest. If accidental ingestion occurs, please contact the Poison Help Center 1800-222-1222

SECTION 12 – Ecological Information

Aquatic Toxicity: This product is anticipated to be safe for the environment at concentrations predicted in household settings under normal use conditions. The following toxicity information is available for the hazardous ingredient(s) when used as technical grade and is provided as reference for the occupational settings.

Toxicity to fish: The aquatic toxicity profile of this product has not been determined.

Toxicity to aquatic invertebrates: The aquatic toxicity profile of this product has not been determined.

Toxicity to algae: The aquatic toxicity profile of this product has not been determined.

Bioaccumulative potential: The bioaccumulation potential of this product has not been determined.

Mobility in soil: The mobility of this product (in soil and water) has not been determined.

Hazardous substances	Result value
Alcohol SDA 40-B 64-17-5 CAS	readily biodegradable

SECTION 13 – Disposal Considerations

Safe handling and disposal methods:

Recommended method of disposal: This product is for cosmetic use and disposal of this product has no special requirements under consumer use conditions.

SECTION 14 – Transport Information

SAFETY DATA SHEET Finished Product

The information in this section is for reference only and should not take the place of a shipping paper (bill of lading) specific to an order. Please note that the proper shipping classification may vary by packaging, properties, and mode of transportation.

U.S. Department of Transportation Ground (49 CFR)

Proper shipping name: Consumer Commodity

Hazard class or division: Limited quantity

Identification number: None

Packing group: None

International Air Transportation (ICAO/IATA)

Proper shipping name: Consumer Commodity

Hazard class or division: ID 8000

Identification number: None

Packing group: None

SECTION 15 – Regulatory Information

Occupational safety and health act:

Hazard Communication Standard, 29 CFR 1910.1200(g) Appendix D: The Occupational Safety and Health Administration (OSHA) require that the Safety Data Sheets (SDSs) are readily accessible to employees for all hazardous chemicals in the workplace. Since the use pattern and exposure in the workplace are generally not consistent with those experienced by consumers, this SDS may contain health hazard information not relevant to consumer use.

United States Regulatory Information

TSCA 8 (b) Inventory Status: All components are listed or are exempt from listing on the Toxic Substances Control Act inventory.

TSCA 12 (b) Export Notification: None above reporting de minimis

CERCLA/SARA Section 302 EHS: None above reporting de minimis

CERCLA/SARA Section 311/312: Not available

CERCLA/SARA Section 313: None above reporting de minimis

SECTION 16 – Other Information

This MSDS was revised August 2024. It has been updated from the previous version to the most current OSHA regulations. (HCS) (29 CFR 1910.1200(g)) Appendix D
